Dear Patient,

welcome to the dental surgery Dental.Island

We are glad that you entrust us your smile and your dental health!

It is our aim to provide you with the best possible individual treatment. Therefore, we would like to ask you to take a few minutes to read this questionnaire carefully and to fill it out as accurately as possible. We will talk about the most important questions and answers in detail with you in a moment.

The information you provide with this questionnaire will only be used to optimize your treatment and will be kept confidential and not disclosed to any third party without your permission.

Please inform us about any changes as it may negatively affect your treatment and may cause serious health issues.

1 Personal information

Be cautious after a dental treatment
Be aware that the dental treatment or the received medication might affect your ability to drive a car for up to 24 hours. You might also experience a drowsiness which might affect your conscious reactions. Please be careful and ask us for any further information or if you need help.

I have filled out this questionnaire to the best of my knowledge and confirm with my signature that the provided information are complete and correct. Furthermore, I will inform you if there are any changes in the provided information. Furthermore, I agree that the dental surgery Dental Island may inform me at regular intervals about important medical check-ups and news (e.g. professional tooth cleaning) via e-mail. I can change or revoke this information at any time.
